

REMARKS

The above amendment is submitted to place the specification in substantially the same condition as the specification as amended in the international application. The claims have been amended to more particularly point out and claim the subject matter of the invention and to remove multiple dependent claims. An English translation of the amendment is enclosed. Early and favorable action is awaited.

In the event that any fees are due in connection with this paper, please charge our Deposit Account No. 01-2340.

Respectfully submitted,
